ENVIRONMENTAL RESEARCH
CENTER, a California non-profit
corporation,

Plaintiff,

v.

NUTRAMEDIX, LLC and DOES 1-100

Defendants.

CASE NO. RG13700050

[PROPOSED] STIPULATED
CONSENT JUDGMENT; [PROPOSED]
ORDER

Health & Safety Code § 25249.5 et seq.

Action Filed: October 22, 2013
Trial Date: None set

1. INTRODUCTION

1.1 On October 22, 2013, Plaintiff Environmental Research Center ("ERC"), a non-profit corporation, as a private enforcer, and in the public interest, initiated this action by filing a Complaint for Injunctive and Declaratory relief and Civil Penalties (the "Complaint")

STIPULATED CONSENT JUDGMENT; [PROPOSED] ORDER

CASE NO. RG13700050

1 pursuant to the provisions of California Health and Safety Code section 25249.5 et seq.
2 ("Proposition 65"), against NutraMedix, LLC ("NutraMedix") and Does 1-100. In this action,
3 ERC alleges that the product manufactured, distributed or sold by NutraMedix, as more fully
4 described below, contains lead, a chemical listed under Proposition 65 as a carcinogen and
5 reproductive toxin, and that such product exposes consumers at a level requiring a Proposition
6 65 warning. This product is: NutraMedix Zeolite.

7 **1.2** The Complaint is based on allegations contained in ERC's Notice of Violation,
8 dated January 18, 2013 ("NOV I"), that was served on the California Attorney General, other
9 public enforcers, and NutraMedix. A true and correct copy of NOV I is attached as Exhibit A.
10 More than 60 days have passed since NOV I was mailed, and no designated governmental entity
11 has filed a complaint against NutraMedix with regard to NutraMedix Zeolite or the alleged
12 violations.

13 **1.3** On or about December 2, 2013, NutraMedix filed an Answer to the Complaint in
14 which it denied all material allegations in the Complaint.

15 **1.4** On May 23, 2014, ERC issued an additional Proposition 65 60-Day Notice of
16 Violation ("NOV II") to Nutramedix and served it on the California Attorney General, other
17 public enforcers, and Nutramedix regarding the additional product NutraMedix Zeolite HP 550
18 mg. Both NutraMedix Zeolite and NutraMedix Zeolite HP 550 mg shall hereinafter be referred
19 to individually as "Covered Product" or collectively as "Covered Products." NOV I and NOV II
20 are collectively referred to as "Notices of Violation" hereinafter.

21 **1.5** ERC is a California non-profit corporation dedicated to, among other causes,
22 helping safeguard the public from health hazards by reducing the use and misuse of hazardous
23 and toxic chemicals, facilitating a safe environment for consumers and employees, and
24 encouraging corporate responsibility.

25 **1.6** NutraMedix is a business entity that employed ten or more persons. NutraMedix
26 arranges the manufacture, distribution, and sale of the Covered Products.

27 **1.7** ERC and NutraMedix are referred to individually as a "Party" or collectively as
28 the "Parties."

1 **1.8 Stipulation to Amend the Complaint.** ERC and Nutramedix stipulate that ERC
2 may be granted leave to amend the Complaint and that the Complaint shall hereafter be deemed
3 amended to include NutraMedix Zeolite HP 550 mg in the interest of settling this matter
4 completely with relation to the Covered Products and in preserving judicial economy.

5 **1.9** ERC's Notices of Violations and the Complaint allege that use of the Covered
6 Products exposes persons in California to lead without first providing clear and reasonable
7 warnings in violation of California Health and Safety Code section 25249.6. NutraMedix
8 denies all material allegations contained in the Notices of Violation and Complaint.

9 **1.10** The Parties have entered into this Consent Judgment in order to settle,
10 compromise and resolve disputed claims and thus avoid prolonged and costly litigation.
11 Nothing in this Consent Judgment shall constitute or be construed as an admission by any of
12 the Parties, or by any of their respective officers, directors, shareholders, employees, agents,
13 parent companies, subsidiaries, divisions, affiliates, franchises, licensees, customers, suppliers,
14 distributors, wholesalers, resellers or retailers. Except for the representations made above,
15 nothing in this Consent Judgment shall be construed as an admission by NutraMedix or ERC of
16 any fact, issue of law, or violation of law, nor shall compliance with this Consent Judgment be
17 construed as an admission by NutraMedix or ERC of any fact, issue of law, or violation of law,
18 at any time, for any purpose.

19 **1.11** Except as expressly set forth herein, nothing in this Consent Judgment shall
20 prejudice, waive, or impair any right, remedy, argument, or defense the Parties may have in any
21 other or future legal proceeding unrelated to these proceedings.

22 **1.12** The Effective Date of this Consent Judgment is fifteen (15) days after it is
23 entered as a Judgment by this Court.

24 **2. JURISDICTION AND VENUE**

25 For purposes of this Consent Judgment and for any further court action that may become
26 necessary to enforce this Consent Judgment, the Parties stipulate that this Court has subject matter
27 jurisdiction over the allegations of violations contained in the Complaint, personal jurisdiction
28 over NutraMedix as to the acts alleged in the Complaint, that venue is proper in Alameda County,

1 and that this Court has jurisdiction to enter this Consent Judgment as a full and final resolution of
2 all claims which were or could have been asserted in this action based on the facts alleged in the
3 Notices of Violation and the Complaint.

4 3. INJUNCTIVE RELIEF AND WARNINGS

5 3.1 Beginning on the Effective Date, NutraMedix shall not manufacture for sale in
6 the State of California, distribute into the State of California¹, or directly sell in the State of
7 California, any Covered Products which expose a person to a daily dose of lead of more than
8 0.5 micrograms per day when the maximum suggested dose is taken as directed on the Covered
9 Products' label, unless each such unit of the Covered Products meets the warning requirements
10 under Section 3.2.

11 3.2 Clear and Reasonable Warnings

12 If NutraMedix provides a warning for the Covered Products pursuant to Section 3.1,
13 NutraMedix must provide the following warning:

14 **WARNING: This product contains a chemical [chemicals] , known to the State of**
15 **California to cause [cancer and] birth defects or other reproductive harm.**

16 NutraMedix shall use the term "cancer and" in the warning only if the maximum daily dose
17 recommended on the label contains more than 15 micrograms of lead as determined pursuant to
18 the quality control methodology set forth in Section 3.3. Nutramedix may use the word
19 "chemicals" in the warning rather than the phrase "a chemical" if at any time Nutramedix has
20 knowledge that the Covered Products contain chemicals in addition to lead at a level requiring a
21 Proposition 65 warning.

22 The warning appearing on the label or container shall be at least the same size as the
23 largest of any other health or safety warnings correspondingly appearing on the label or container,
24 as applicable, or such product, and the word "WARNING" shall be in all capital letters and in
25

26 ¹ As used in Consent Judgment, the term "distribute for sale into California" shall mean
27 to directly ship a Covered Product into California for sale in California or to sell a Covered
28 Product to a distributor if NutraMedix has knowledge that the distributor will sell the Covered
Product in California.

1 bold print. No other statements about Proposition 65 or lead may accompany the warning.
2 NutraMedix shall not provide any general or "blanket" warning regarding Proposition 65.

3 NutraMedix must display the above warnings with such conspicuousness, as compared
4 with other words, statements, or design of the label or container, as applicable, to render the
5 warning likely to be read and understood by an ordinary individual under customary conditions of
6 purchase or use of the product.

7 Nutramedix shall also provide the warning prior to completing checkout when a California
8 delivery address is indicated in connection with the sale of the Covered Products.

9 **3.2.1** For purposes of this Consent Judgment, daily lead exposure levels shall
10 be measured in micrograms, and shall be calculated using the following formula: micrograms
11 of lead per gram of product, multiplied by grams of product per serving of the product (using
12 the largest serving size appearing on the product label), multiplied by servings of the product
13 per day (using the largest number of servings in a recommended dosage appearing on the
14 product label) which equals micrograms of lead exposure per day.

15 **4. SETTLEMENT PAYMENT**

16 **4.1** In full satisfaction of all civil penalties, payment in lieu of civil penalties,
17 attorney's fees, and costs, NutraMedix shall make a total payment of \$49,250.00 ("Total
18 Settlement Amount") to ERC within ten (10) days of the Effective Date. Nutramedix shall make
19 this payment by wire transfer to ERC's escrow account, for which ERC will provide Nutramedix
20 with the necessary account information and taxpayer identification information.

21 **4.2** As a portion of the Total Settlement Amount, \$13,257.85 shall be payable as
22 civil penalties pursuant to California Health and Safety Code section 25249.7(b)(1). Of this
23 amount, \$9,943.39 will be distributed by ERC to the Office of Environmental Health Hazard
24 Assessment ("OEHHA") and \$3,314.46 will be retained by Environmental Research Center.
25 California Health and Safety Code section 25249.12(c)(1) & (d).

26 **4.3** Also as a portion of the Total Settlement Amount, \$1,002.10 shall be payable
27 to Environmental Research Center as reimbursement to ERC for reasonable costs incurred as a
28 result of work in bringing this action.

1 4.4 \$14,380.00 shall be distributed to Michael Freund and \$517.50 shall be
2 distributed to Ryan Hoffman as reimbursement of ERC's attorney's fees, and \$20,092.55 shall
3 be distributed to ERC as reimbursement for its in-house legal fees.

4 **5. MODIFICATION OF CONSENT JUDGMENT**

5 5.1 This Consent Judgment may be modified only (i) by written stipulation of the
6 Parties or pursuant to Section 5.4 and (ii) upon entry by the Court of a modified Consent
7 Judgment.

8 5.2 If NutraMedix seeks to modify this Consent Judgment under Section 5.1, then
9 NutraMedix must provide written notice to ERC of its intent ("Notice of Intent"). If ERC seeks
10 to meet and confer regarding the proposed modification in the Notice of Intent, then ERC must
11 provide written notice to NutraMedix within thirty (30) days of receiving the Notice of Intent.
12 If ERC notifies NutraMedix in a timely manner of ERC's intent to meet and confer, then the
13 Parties shall meet and confer in good faith as required in this Section. The Parties shall meet in
14 person or by phone within thirty (30) days of ERC's notification of its intent to meet and
15 confer. Within thirty days of such meeting, if ERC disputes the proposed modification, ERC
16 shall provide to NutraMedix a written basis for its position. The Parties shall continue to meet
17 and confer for an additional thirty (30) days in an effort to resolve any remaining disputes. The
18 Parties may agree in writing to different deadlines for the meet-and-confer period.

19 5.3 In the event that NutraMedix initiates or otherwise requests a modification
20 under Section 5.1, NutraMedix shall reimburse ERC its costs and reasonable attorney's fees for
21 the time spent in the meet-and-confer process and filing and arguing a joint motion or
22 application in support of a modification of the Consent Judgment.

23 5.4 Where the meet-and-confer process does not lead to a joint motion or
24 application in support of a modification of the Consent Judgment, then either Party may seek
25 judicial relief on its own. In such a situation, the prevailing party may seek to recover costs and
26 reasonable attorney's fees. As used in the preceding sentence, the term "prevailing party"
27 means a party who is successful in obtaining relief more favorable to it than the relief that the
28

1 other party was amenable to providing during the Parties' good faith attempt to resolve the
2 dispute that is the subject of the modification.

3 **6. RETENTION OF JURISDICTION, ENFORCEMENT OF CONSENT**
4 **JUDGMENT**

5 **6.1** This Court shall retain jurisdiction of this matter to enforce, modify or
6 terminate this Consent Judgment.

7 **6.2** Only after it complies with Section 15 below may any Party, by motion or
8 application for an order to show cause filed with this Court, enforce the terms and conditions
9 contained in this Consent Judgment.

10 **6.3** If ERC alleges that the warning contemplated by this Agreement has not been
11 provided, then ERC shall inform NutraMedix in a reasonably prompt manner of its allegation,
12 including information sufficient to permit NutraMedix to identify the Covered Product at issue.
13 NutraMedix shall, within thirty days following such notice, provide ERC with information
14 demonstrating Defendant's compliance with the Consent Judgment, if warranted. The Parties
15 shall first attempt to resolve the matter prior to ERC taking any further legal action.

16 **7. APPLICATION OF CONSENT JUDGMENT**

17 This Consent Judgment is a full, final, and binding resolution between the Parties and their
18 respective officers, directors, shareholders, employees, agents, parent companies, subsidiaries,
19 divisions, affiliates, franchisees, licensees, customers (excluding private labelers), distributors,
20 wholesalers, resellers, retailers, predecessors, successors, and assigns. This Consent Judgment
21 shall have no application to any Covered Product which is distributed or sold exclusively outside
22 the State of California and which is not used by a California consumer. If Proposition 65 is
23 repealed this Consent Judgment shall terminate automatically without the need for further action
24 by the parties. If Proposition 65 is amended, or modified resulting in the establishment of a
25 Maximum Allowable Dose Level ("MADL") applicable to the ingestion of lead that is more or
26 less stringent than 0.5 micrograms per day, this Consent Judgment shall be deemed modified to
27 incorporate the new MADL on the date the amendment becomes final; provided however, such
28 time period shall be extended to include the completion through final appeal of timely filed legal

1 challenges. The new MADL shall thereafter replace the references in this Consent Judgment to
2 0.5 micrograms.

3 **8. BINDING EFFECT, CLAIMS COVERED AND RELEASED**

4 **8.1** This Consent Judgment is a full, final, and binding resolution between ERC,
5 on behalf of itself and in the public interest, and NutraMedix, of any alleged violation of
6 Proposition 65 or its implementing regulations for failure to provide Proposition 65 warnings of
7 exposure to lead from the handling, use, or consumption of the Covered Products and fully
8 resolves all claims that have been or could have been asserted in this action up to and including
9 the Effective Date for failure to provide Proposition 65 warnings for the Covered Products.
10 ERC, on behalf of itself and in the public interest, hereby discharges NutraMedix and its
11 respective officers, directors, shareholders, employees, agents, parent companies, subsidiaries,
12 divisions, affiliates, suppliers, franchisees, licensees, customers (not including private label
13 customers of NutraMedix, distributors, wholesalers, resellers, retailers, and all other upstream
14 and downstream entities in the distribution chain of any Covered Product, and the predecessors,
15 successors and assigns of any of them (collectively, "Released Parties"), from any and all
16 claims, actions, causes of action, suits, demands, liabilities, damages, penalties, fees, costs and
17 expenses asserted, or that could have been asserted, as to any alleged violation of Proposition
18 65 arising from the failure to provide Proposition 65 warnings on the Covered Products
19 regarding lead.

20 **8.2** ERC, on behalf of itself only, hereby releases and discharges the Released
21 Parties from all known and unknown claims for alleged violations of Proposition 65 arising
22 from or relating to alleged exposures to lead in the Covered Products as set forth in the Notices
23 of Violation. It is possible that other claims not known to the Parties arising out of the facts
24 alleged in the Notices of Violation or the Complaint and relating to the Covered Products will
25 develop or be discovered. ERC, on behalf of itself only, acknowledges that this Consent
26 Judgment is expressly intended to cover and include all such claims, including all rights of
27 action therefore. ERC has full knowledge of the contents of California Civil Code section
28 1542. ERC, on behalf of itself only, acknowledges that the claims released in Sections 8.1 and

1 8.2 above may include unknown claims, and nevertheless waives California Civil Code section
2 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

3 A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE
4 CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER
5 FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF
6 KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS
7 OR HER SETTLEMENT WITH THE DEBTOR.

8 ERC, on behalf of itself only, acknowledges and understands the significance and
9 consequences of this specific waiver of California Civil Code Section 1542.

10 **8.3** Compliance with the terms of this Consent Judgment shall be deemed to
11 constitute compliance by any Released Party with Proposition 65 regarding alleged exposures
12 to lead in the Covered Products as set forth in the Notices of Violation and the Complaint.

13 **8.4** Nothing in this Consent Judgment is intended to apply to any occupational or
14 environmental exposures arising under Proposition 65, nor shall it apply to any of
15 NutraMedix's products other than the Covered Products.

16 **8.5** ERC and NutraMedix each release and waive all claims they may have
17 against each other for any statements or actions made or undertaken by them in connection with
18 the Notices of Violation or the Complaint; provided, however, that nothing in Section 8 shall
19 affect or limit any Party's right to seek to enforce the terms of this Consent Judgment.

20 **9. SEVERABILITY OF UNENFORCEABLE PROVISIONS**

21 In the event that any of the provisions of this Consent Judgment is held by a court to be
22 unenforceable, the validity of the remaining enforceable provisions shall not be adversely affected.

23 **10. GOVERNING LAW**

24 The terms and conditions of this Consent Judgment shall be governed by and construed in
25 accordance with the laws of the State of California.

26 **11. PROVISION OF NOTICE**

27 All notices required to be given to either Party to this Consent Judgment by the other shall
28 be in writing and sent to the following agents listed below by: (a) first-class, registered, or certified

4 **12.2** ERC shall comply with California Health and Safety Code section 25249.7(f)
5 and with Title II of the California Code Regulations, Section 3003.

6 **13. EXECUTION AND COUNTERPARTS**

7 This Consent Judgment may be executed in counterparts, which taken together shall be
8 deemed to constitute one document. A facsimile or .pdf signature shall be construed as valid as
9 the original signature.

10 **14. DRAFTING**

11 The terms of this Consent Judgment have been reviewed by the respective counsel for the
12 each Party to this Settlement prior to its signing, and each Party has had an opportunity to fully
13 discuss the terms with counsel. The Parties agree that, in any subsequent interpretation and
14 construction of this Consent Judgment entered thereon, the terms and provisions shall not be
15 construed against any Party.

16 **15. GOOD FAITH ATTEMPT TO RESOLVE DISPUTES**

17 If a dispute arises with respect to either Party's compliance with the terms of this Consent
18 Judgment entered by the Court, the Parties shall meet in person or by telephone and endeavor to
19 resolve the dispute in an amicable manner. No action or motion may be filed in the absence of
20 such a good faith attempt to resolve the dispute beforehand. In the event an action or motion is
21 filed, however, the prevailing party may seek to recover costs and reasonable attorney's fees. As
22 used in the preceding sentence, the term "prevailing party" means a party who is successful in
23 obtaining relief more favorable to it than the relief that the other party was amenable to providing
24 during the Parties' good faith attempt to resolve the dispute that is the subject of such enforcement
25 action.

26 **16. ENTIRE AGREEMENT, AUTHORIZATION**

27 **16.1** This Consent Judgment contains the sole and entire agreement and
28 understanding of the Parties with respect to the entire subject matter herein, and any and all

1 prior discussions, negotiations, commitments and understandings related hereto. No
2 representations, oral or otherwise, express or implied, other than those contained herein have
3 been made by any Party. No other agreements, oral or otherwise, unless specifically referred to
4 herein, shall be deemed to exist or to bind any Party.

5 16.2 Each signatory to this Consent Judgment certifies that he or she is fully
6 authorized by the Party he or she represents to stipulate to this Consent Judgment. Except as
7 explicitly provided herein, each Party shall bear its own fees and costs.

8 17. REQUEST FOR FINDINGS, APPROVAL OF SETTLEMENT AND ENTRY OF
9 CONSENT JUDGMENT

10 This Consent Judgment has come before the Court upon the request of the Parties. The
11 Parties request the Court to fully review this Consent Judgment and, being fully informed
12 regarding the matters which are the subject of this action, to:

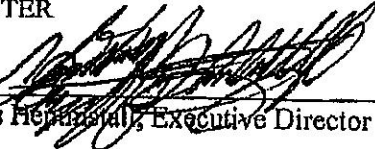

13 (1) Find that the terms and provisions of this Consent Judgment represent a fair and equitable
14 settlement of all matters raised by the allegations of the Complaint, that the matter has been
15 diligently prosecuted, and that the public interest is served by such settlement; and

16 (2) Make the findings pursuant to California Health and Safety Code section 25249.7(f)(4),
17 approve the Settlement, and approve this Consent Judgment.

**NOTICE OF VIOLATIONS OF
CALIFORNIA HEALTH & SAFETY CODE SECTION 25249.5 ET SEQ.
(PROPOSITION 65)**

Dear Alleged Violator and the Appropriate Public Enforcement Agencies:

I represent Environmental Research Center ("ERC"), 3111 Camino Del Rio North, Suite 400, San Diego, CA 92108; Tel. (619) 500-3090. ERC's Executive Director is Chris Heptinstall. ERC is a California non-profit corporation dedicated to, among other causes, helping safeguard the public from health hazards by reducing the use and misuse of hazardous and toxic chemicals, facilitating a safe environment for consumers and employees, and encouraging corporate responsibility.

ERC has identified violations of California's Safe Drinking Water and Toxic Enforcement Act of 1986 ("Proposition 65"), which is codified at California Health & Safety Code §25249.5 *et seq.*, with respect to the products identified below. These violations have occurred and continue to occur because the alleged Violator identified below failed to provide the required clear and reasonable warnings with these products. This letter serves as a notice of these violations to the alleged Violator and the appropriate public enforcement agencies. Pursuant to Health and Safety Code Section 25249.7(d), ERC intends to file a private enforcement action in the public interest 60 days after effective service of this notice unless the public enforcement agencies have commenced and are diligently prosecuting an action to rectify these violations.

General Information about Proposition 65. A copy of a summary of Proposition 65, prepared by the Office of Environmental Health Hazard Assessment, is an attachment with the copy of this letter served to the alleged Violator identified below.

Alleged Violator. The name of the company covered by this notice that violated Proposition 65 (hereinafter "the Violator") is:

NutraMedix, LLC

Consumer Products and Listed Chemicals. The product that is the subject of this notice and the chemical in that product identified as exceeding allowable levels are:

NutraMedix Zeolite – Lead

On February 27, 1987, the State of California officially listed lead as a chemical known to cause developmental toxicity, and male and female reproductive toxicity. On October 1, 1992, the State of California officially listed lead and lead compounds as chemicals known to cause cancer.

It should be noted that ERC may continue to investigate other products that may reveal further violations and result in subsequent notices of violations.

Route of Exposure. The consumer exposures that are the subject of this notice result from the purchase, acquisition, handling and recommended use of these products. Consequently, the primary route of exposure to

Exhibit A

January 18, 2013

Page 2

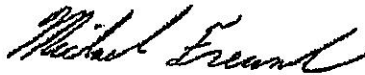

these chemicals has been and continues to be through ingestion, but may have also occurred and may continue to occur through inhalation and/or dermal contact.

Approximate Time Period of Violations. Ongoing violations have occurred every day since at least January 18, 2010, as well as every day since the product was introduced into the California marketplace, and will continue every day until the Violator provides clear and reasonable warnings to product purchasers and users or until these known toxic chemicals are either removed from the product or reduced to allowable levels in the product. Proposition 65 requires that a clear and reasonable warning be provided prior to exposure to the identified chemicals. The method of warning should be a warning that appears on the product label. The Violator violated Proposition 65 because it failed to provide persons handling and/or using these products with appropriate warnings that those persons are being exposed to these chemicals.

Consistent with the public interest goals of Proposition 65 and a desire to have these ongoing violations of California law quickly rectified, ERC is interested in seeking a constructive resolution of this matter that includes an enforceable written agreement by the Violator to: (1) reformulate the identified product so as to eliminate further exposures to the identified chemical, or provide appropriate warnings on the labels of this product; and (2) pay an appropriate civil penalty. Such a resolution will prevent further unwarned consumer exposures to the identified chemicals, as well as an expensive and time-consuming litigation.

ERC has retained me as legal counsel in connection with this matter. Please direct all communications regarding this Notice of Violations to my attention at the law office address and telephone number indicated on the letterhead.

Sincerely,

Michael Freund

CERTIFICATE OF MERIT

Re: Environmental Research Center's Notice of Proposition 65 Violations by NutraMedix, LLC

I, Michael Freund, declare:

1. This Certificate of Merit accompanies the attached 60-day notice in which it is alleged the parties identified in the notice violated California Health & Safety Code Section 25249.6 by failing to provide clear and reasonable warnings.

2. I am an attorney for the noticing party.

3. I have consulted with one or more persons with relevant and appropriate experience or expertise who have reviewed facts, studies, or other data regarding the exposure to the listed chemicals that are the subject of the notice.

4. Based on the information obtained through those consultants, and on other information in my possession, I believe there is a reasonable and meritorious case for the private action. I understand that "reasonable and meritorious case for the private action" means that the information provides a credible basis that all elements of the plaintiff's case can be established and that the information did not prove that the alleged Violator will be able to establish any of the affirmative defenses set forth in the statute.

5. Along with the copy of this Certificate of Merit served on the Attorney General is attached additional factual information sufficient to establish the basis for this certificate, including the information identified in California Health & Safety Code §25249.7(h)(2), i.e., (1) the identity of the persons consulted with and relied on by the certifier, and (2) the facts, studies, or other data reviewed by those persons.

**NOTICE OF VIOLATION OF
CALIFORNIA HEALTH & SAFETY CODE SECTION 25249.5 ET SEQ.
(PROPOSITION 65)**

Dear Alleged Violator and the Appropriate Public Enforcement Agencies:

I represent Environmental Research Center ("ERC"), 3111 Camino Del Rio North, Suite 400, San Diego, CA 92108; Tel. (619) 500-3090. ERC's Executive Director is Chris Heptinstall. ERC is a California non-profit corporation dedicated to, among other causes, helping safeguard the public from health hazards by bringing about a reduction in the use and misuse of hazardous and toxic chemicals, facilitating a safe environment for consumers and employees, and encouraging corporate responsibility.

ERC has identified violations of California's Safe Drinking Water and Toxic Enforcement Act of 1986 ("Proposition 65"), which is codified at California Health & Safety Code §25249.5 *et seq.*, with respect to the product identified below. These violations have occurred and continue to occur because the alleged Violator identified below failed to provide required clear and reasonable warnings with this product. This letter serves as a notice of these violations to the alleged Violator and the appropriate public enforcement agencies. Pursuant to Health and Safety Code Section 25249.7(d), ERC intends to file a private enforcement action in the public interest 60 days after effective service of this notice unless the public enforcement agencies have commenced and are diligently prosecuting an action to rectify these violations.

General Information about Proposition 65. A copy of a summary of Proposition 65, prepared by the Office of Environmental Health Hazard Assessment, is enclosed with this letter served to the alleged Violator identified below.

Alleged Violator. The name of the company covered by this notice that violated Proposition 65 (hereinafter the "Violator") is:

Nutramedix, LLC

Consumer Products and Listed Chemicals. The product that is the subject of this notice and the chemical in that product identified as exceeding allowable levels are:

NutraMedix Zeolite HP 550 mg – Lead

On February 27, 1987, the State of California officially listed lead as a chemical known to cause developmental toxicity, and male and female reproductive toxicity. On October 1, 1992, the State of California officially listed lead and lead compounds as chemicals known to cause cancer.

It should be noted that ERC may continue to investigate other products that may reveal further violations and result in subsequent notices of violations.

Route of Exposure. The consumer exposures that are the subject of this notice result from the purchase, acquisition, handling and recommended use of this product. Consequently, the primary route of exposure to these

May 23, 2014

Page 2

chemicals has been and continues to be through ingestion, but may have also occurred and may continue to occur through inhalation and/or dermal contact.

Approximate Time Period of Violations. Ongoing violations have occurred every day since at least May 23, 2011, as well as every day since the product was introduced into the California marketplace, and will continue every day until clear and reasonable warnings are provided to product purchasers and users or until these known toxic chemicals are either removed from or reduced to allowable levels in the product. Proposition 65 requires that a clear and reasonable warning be provided prior to exposure to the identified chemicals. The method of warning should be a warning that appears on the product label. The Violator violated Proposition 65 because it failed to provide persons handling and/or using this product with appropriate warnings that they are being exposed to these chemicals.

Consistent with the public interest goals of Proposition 65 and a desire to have these ongoing violations of California law quickly rectified, ERC is interested in seeking a constructive resolution of this matter that includes an enforceable written agreement by the Violator to: (1) reformulate the identified product so as to eliminate further exposures to the identified chemical, or provide appropriate warnings on the labels of this product; and (2) pay an appropriate civil penalty. Such a resolution will prevent further unwarned consumer exposures to the identified chemicals, as well as an expensive and time consuming litigation.

ERC has retained me as legal counsel in connection with this matter. **Please direct all communications regarding this Notice of Violation to my attention at the law office address and telephone number indicated on the letterhead.**

Sincerely,

Michael Freund
